Hi Robert,

I'll jump in here real quick. Since CBM did not participate in discovery, we'll need the extra time to be able to develop testimony from all of the relevant witnesses.

Mat – did you want to try and see if we could come to an agreement on number of days? We could likely agree to 4-5 days based upon the need. Let us know what you think is the need or the 5-7 days. Or, just let us know if you'd like to have us include your position of 5-7 days and we will include ours as 3 days.

Mat,

Ok. We will put together the report setting forth the parties' respective days.

In an effort to find an agreement, can you please explain why your client thinks it would need 5-7 days for this case.

Thanks,

Robert Aycock

Matt, excluding jury selection, we feel that three days would be needed for this trial. Let us know your client's position.
